

Acorn News...

Friday 18th December 2020

In Phonics, we have learnt the sounds l, ll, ss and ff. ll, ss and ff are digraphs, these are 2 letters making 1 sound. We have been practising reading words with these sounds in. We have also played sound splat.

In Maths, we have been looking at the number 5. We know 'how many' it means and have been practising our counting to 5. We had a 5th birthday party for Nick the Monkey and he needed 5 cups, plates, biscuits and 5 people at his party.

We found him the card with the correct number on it. We have also learnt about the shape 'pentagon' which has 5 sides and 5 corners.

In RE, we recapped the Christmas story and remembered some of the exciting things we have done at home with our families when it is Christmas.

We have had lots of fun this week with watching our nativity performance and our Christmas lunch. We played party games and had yummy food for our Christmas party. We have also made party hats and Christmas cards.

Well done to Bradley our star of the week, for a fantastic effort with using his phonics sounds to read short captions and write words.

Diary Dates....

- Tuesday 5th January 2021—
First Day of Term 3

Nativity

- Thank you for all your lovely comments about the Nativity.
- Although it isn't what we would usually do, all the children and adults involved did a fantastic job!
- Well done! If you have not yet watch it, a link to the video was sent home via ParentPay.

PE

After the Christmas holidays the children will be getting changed into their PE kits in school. This means the children will need to wear their school uniform everyday and have their PE kit kept in school on their pegs.

Here is a photo to remind you of the school PE kit—blue shorts (or tracksuit bottoms for the winter), red or green or yellow or blue t-shirt depending on your child's house colour and trainers/plimsolls.

Any problems, please let us know.

Home Learning

Please find attached some activities you may like to do at home over the Christmas Holidays.
