This Week in School

It is amazing to think that this is our last full week of this academic year. Looking back at the different newsletter items, we have certainly had lots happening!

A huge thank you for those who took part yesterday in our crazy hair day – over £118 was raised. Also a big thank you for the buying and eating of ice creams on our special Friday treat events!

This week the children spent some time meeting their new teachers and finding out a little about what life will be like in their new year groups. There will be an opportunity for you to meet your child's new teacher early in the new year.

Lost property will be out on Monday – please do have a look and see if there is anything that is your child's.

Next week we have our Leavers' Mass and Assembly, our chance to celebrate 100% attendance and our new Governors' Award.

£118 raised.

Thank you for your support!

Keep on reading....!

Just to whet your appetites for reading, during the holidays, don't forget the "Space Chase" reading challenge which Kent Libraries are running during the summer. It would be great to share this challenge with your child.

Also please keep challenging your child's reading even in the holidays, because ... in September ... we will have The St Barnabas Reading Tree Challenge!! There will be more information about this in September.
