## Inspired Craft Activity

### You will need:

- templates
- piece of A4 card
- piece of plain paper
- coloured paper
- scissors
- poster paints
- plate for paint
- pencil
- paintbrush
- white glue (such as PVA)
- plate for glue
- glue spreader
- craft punch (optional)

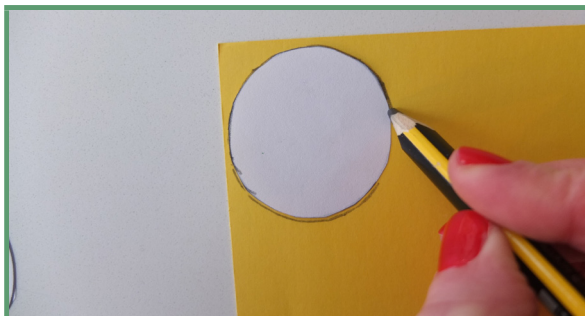

In preparation, print out the templates.

Paint a piece of paper and leave to dry.

Using scissors, carefully cut out the shapes that you want to use in your art. If you feel confident, you can even make up your own shapes.

Place your shapes on to the coloured paper and painted paper, draw around them with a pencil.

Using scissors, carefully cut out the shapes. Use a craft punch to cut out smaller shapes.

Put glue on to the back of each shape and position them on to your piece of A4 card to create your design.
