It has been a really great week celebrating Shakespeare week. We have been really pleased with the enthusiasm the children have shown towards 'A Midsummer Night's Dream'.

First, we watched a cartoon version of part of the story. We found out that King Oberon played a trick on Queen Titania so she would fall in love with whoever she saw when she woke up, but his cheeky assistant, Puck, used the magic flower on Bottom too and changed his head into a donkey! Queen Titania woke up and saw Bottom and they fell in love!

We then acted out the story during our helicopter stories session and then Nadirah went on to write her own version of the story. We decided we wanted to act the story out to show the whole school. You can find the video of the children acting out the story on Tapestry.

So we made props to show which characters we were, some of us were the King and Queen, some of us were fairies, some of us were trees, some of us were Bottom and some of us were Puck. The children did a fantastic and independent job of creating their props using various craft materials.

Well done to our stars of the week, Mya, for a super retelling of Rapunzel, and Zion, for an improvement in his learning.
