

Acorn News...

Friday 9th July 2021

Tapestry Journal

Thank you to all parents who have communicate and contributed to their child's journal. Please upload any last minute observations by Friday 16th July as we will be closing the journals ready for your to download a copy of. More information about this to follow.

Dates...

- Wednesday 21st July—End of Term
6

Home Learning

Remember the plant you brought home a few weeks ago, we would love to see how it is getting on! Please draw a picture, write a sentence or take a photo of how it is doing. If yours was a fruit bearing plant you may like to tell us if you have had any fruit from it yet!

Books

We know it is nearly the end of term but please continue to read at home with your child and record in their yellow reading record. Please also look for any library or reading books your child may have at home that need to be returned to school before the summer holidays.

Weather

Hopefully the weather will brighten up again soon, please ensure your child wears sun cream and a hat on warm days. Please ensure they still have a coat in school as it seems rain is forecast too!

This week...

We have had a great week in Acorn class. In phonics, we have been learning the tricky words, so and do. We have been thinking of sentences containing these words and having a go at reading them in a sentence. We have also been starting to look at ccvc and cvcc words, these are usually 4 letter words for example frog, stop, sink.

In maths, we have been looking at spatial reasoning. We have been using shapes like right angled triangles and squares to make other shapes. We have had to rotate shapes to enable us to do this. We also designed a quilt using a variety of different shapes and patterns.

In RE, we discussed Jesus being friends with everybody even if they did bad things. Jesus and God forgive people for their sins which we said was similar to saying sorry to someone if we had hurt them.

The children have been very grown up this week and have spend the afternoon in the hall with Mrs Allee while Miss Traviss and Miss Burkinshaw used the classroom the welcome the new Acorn children. We have been talking about our move to year 1 and how we will have a different classroom and new teachers. There will be more information to follow very soon!

Well done to Demi, our star of the week, for a great effort with her reading!
