

# St Barnabas' Pupil Premium Strategy Statement 2017-18

1. Summary information					
School	St Barnabas' CEP Primary School				
Academic Year	2017-18	Total PP budget	67,160	Date of most recent PP Review	Sep 2017
Total number of pupils	200	Number of pupils eligible for PP	42	Date for next internal review of this strategy	Nov 2017

2. Current attainment			
	<i>Pupils eligible for PP (your school)</i>	<i>All pupils in our school</i>	<i>Pupils eligible for PP in Kent</i>
<b>KS2 R/W/M % Expected Standard +</b>	30.8	51.7	48.2
<b>Reading Progress</b>	-0.5	+1.0	-0.4
<b>Writing Progress</b>	+2.5	+3.2	-0.01
<b>Maths Progress</b>	-3.7	-0.8	-1.0
<b>KS1 Reading % Expected Standard +</b>	33.3	73.3	65.2
<b>KS1 Writing % Expected Standard +</b>	33.3	70	56.8
<b>KS1 Maths % Expected Standard +</b>	33.3	70	64.5

3. Barriers to future attainment (for pupils eligible for PP, including high ability)	
<b>In-school barriers</b> ( <i>issues to be addressed in school, such as poor oral language skills</i> )	
<b>A.</b>	Multiple needs. The proportion of pupils who are eligible for Pupil Premium with SEN is higher than amongst non-disadvantaged pupils within the school. Many disadvantaged pupils are also EAL.
<b>B.</b>	Mobility. A large proportion of pupils who are eligible for Pupil Premium have joined the school later.
<b>C.</b>	Low Prior Attainment. Many pupils who are eligible for Pupil Premium have low prior attainment, either at the start of EYFS or upon a later entry into the school.
<b>D.</b>	Language Proficiency. Many pupils who are eligible for Pupil Premium have lower language proficiency than their non-disadvantaged peers.
<b>E.</b>	Behaviours for Learning. Many pupils who are eligible for Pupil Premium do not yet possess learning attributes such as self-confidence, perseverance and resilience required to be successful learners.
<b>External barriers</b> ( <i>issues which also require action outside school, such as low attendance rates</i> )	
<b>F.</b>	Pupil attendance. Although generally good, rates of absence are higher among PP eligible pupils compared to non-disadvantaged pupils.
<b>G.</b>	Home Environment. Some pupils eligible for Pupils Premium live in an environment not conducive to school readiness.

<b>H.</b>	Life Experience. Some pupils eligible for Pupils Premium have limited life experience when compared to their non-disadvantaged peers.
<b>I</b>	Parental Engagement. Some of the parents of children eligible for Pupils Premium struggle to engage with their child's education in a meaningful and positive way. As a result, pupils eligible for Pupils Premium often have less parental support than their non-disadvantaged peers.
<b>4. Desired outcomes</b>	
<b>A.</b>	To close the gap in attainment between pupils eligible for Pupils Premium and their non-disadvantage peers (both within the school and nationally).
<b>B.</b>	To raise the attainment of all pupils eligible for Pupils Premium.
<b>C.</b>	To close the attendance gap between pupils eligible for Pupils Premium and their non-disadvantages peers.
<b>D.</b>	To ensure that all pupils eligible for Pupil Premium possess the personal, social and emotional attributes required to be successful at school.
<b>E.</b>	To increase the engagement of the parents of pupils eligible for Pupils Premium.

5. Planned expenditure					
Academic year		2017-18			
The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
To ensure Pupil Premium eligible children with SEN make accelerated progress across the academic year.	Additional SENco time to support classroom teachers in the implementation of quality first teaching practices for PP eligible children with SEN.	When investigating PP barriers to learning it was revealed that "The proportion of pupils who are eligible for Pupil Premium with SEN is higher than amongst non-disadvantaged pupils within the school" In the 'Features of Practice in Schools' document provided by Ofsted it was quoted that, "Quality first provision, including teaching, is the key" A highly trained practitioner such as a SENco with assist in identifying gaps in learning and helping to put in place strategies for in-class support.	-DHT to work closely with SENco to plan in class provision for PP-SEN pupils. -Use of B Squared materials to diagnose gaps in learning- reviewed termly to ensure progress is made. -Effective use of provision mapping to plan, measure and review impact.	Deputy Head Teacher SENco	Termly
To narrow the gap in attainment in Maths between PP eligible pupils and non-disadvantaged pupils in KS2.	To provide CPD for classroom teachers to support teaching of mastery and reasoning skills for pupils of all abilities.	Current KS2 data reveals that progress in Maths is considerably poorer for PP eligible children compared to their non-disadvantaged peers. (-3.7 compared to -0.8) 'Features of Practice in Schools' document provided by Ofsted stated, "Quality first provision, including teaching, is the key" Improving the quality of teaching of mastery and reasoning for all teaching staff will help ensure that Pupil Premium eligible pupils close this gap.	-Termly review of Pupil Premium maths data. -Provision of mastery and reasoning linked to Maths Leader and Classroom Teacher performance management. -Lesson observations and book scrutiny focusing on mastery and reasoning of Pupil Premium eligible pupils.	Head teacher Maths Coordinator	End of Year
To narrow the gap in attainment in Maths between PP eligible pupils and non-disadvantaged pupils in KS1.	To provide manipulatives for PP eligible children in KS1.	Current KS1 data reveals that attainment in Maths is considerably poorer for PP compared to their non-disadvantaged peers. We aim to provide PP eligible children with access to high quality manipulatives in KS1 to raise standards of attainment and close the gap in our KS2 data.	-Lesson observations and book scrutiny focussing on use of manipulatives in KS1 classrooms. -Pupil perception interviews highlighting pupils' experiences of using manipulatives in the classroom.	Deputy Head Teacher Maths Coordinator	End of Year

<p>To improve the oral fluency of PP eligible pupils across the school.</p>	<p>To train teachers to implement dialogic teaching strategies across the school.</p>	<p>When investigating PP barriers to learning it was revealed that, "Many pupils who are eligible for Pupil Premium have lower language proficiency than their non-disadvantaged peers." Furthermore, The Education Endowment Foundation identified 'Oral Language Interventions' as an area with the potential for achieving significant progress for a minimal cost. The CPRT/IEE Education Endowment Foundation (EEF) project on dialogic teaching 2014-17 led by Robin Alexander and Frank Hardman identified that over 2 terms, pupils made on average 2 months accelerated progress in Science and English and 1 month accelerated progress in Maths. While less secure, they also found that such progress was matched by disadvantaged pupils.</p>	<ul style="list-style-type: none"> <li>-Collaborative lesson studies to take place on a termly basis.</li> <li>-CPD Sessions to reflect, collaborate and expand repertoire of dialogic strategies.</li> <li>-Video case studies to be collected.</li> <li>-Transcripts of pupil dialogue to be analysed.</li> </ul>	<p>Deputy Head Teacher Class Teachers</p>	<p>Termly</p>
<p>To narrow the gap in reading between PP eligible pupils and their non-disadvantaged peers.</p>	<p>To provide high quality reading material which appeals directly to the interests of PP eligible children.</p>	<p>Current KS1 data reveals that attainment in Reading is lower for PP eligible children compared to their non-disadvantaged peers. (33.% Expected+ compared to 73.3% Expected+) KS2 Data reveals that the progress of PP eligible children is less than their non-disadvantaged peers (-0.5 compared to +1) Access to reading material has been proven to act as a reliable indicator for academic achievement. Pupils from disadvantaged backgrounds often have restricted access to a rich bank of literature at home. Furthermore, as the gap between PP eligible children and non-disadvantaged opens across KS2, reading material which is appropriate for children's reading ability does not often match their interests. We aim to ensure that all PP pupils have access to high quality reading materials.</p>	<ul style="list-style-type: none"> <li>-Pupil and parent involvement in selecting reading material (through pupil-parent-teacher conferences or structured conversations)</li> <li>-Termly analysis of PP data for reading.</li> <li>-Pupil perception interviews highlighting pupils experience in reading and the effects of improved reading material.</li> </ul>	<p>Deputy Head Teacher FLO Literacy Coordinator</p>	<p>Termly</p>
<p>To promote emotional wellbeing for PP eligible pupils in Year 2 and 3.</p>	<p>To provide a 24-week programme of sessions designed to promote social and emotional well-being for PP eligible pupils.</p>	<p>When investigating PP barriers to learning it was revealed that, "Some pupils who are eligible for Pupil Premium do not yet possess learning attributes such as self-confidence, perseverance and resilience." and "Some pupils eligible for Pupils Premium live in an environment not conducive to school readiness." We will target Year 2 and 3 pupils and provide them with the core social and emotional skills necessary to be successful as they move through the school.</p>	<ul style="list-style-type: none"> <li>-Sessions to be delivered by highly trained FLO.</li> <li>-Review of programme.</li> </ul>	<p>FLO</p>	<p>At the end of the programme.</p>
<b>Total budgeted cost</b>					<p>£9100</p>

<b>ii. Targeted support</b>					
<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>What is the evidence and rationale for this choice?</b>	<b>How will you ensure it is implemented well?</b>	<b>Staff lead</b>	<b>When will you review implementation?</b>
To narrow the gap in reading between PP eligible pupils and their non-disadvantaged peers in the years 1-3	To provide highly targeted, short-term programmes of reading intervention for selected Pupil Premium eligible children.	Current KS1 data reveals that attainment in Reading is lower for PP eligible children compared to their non-disadvantaged peers. (33.% Expected+ compared to 73.3% Expected+) 1:1 Reading intervention strategies such as Reading Recovery have a proven track record of raising reading attainment.	-Pupil Premium meetings to identify pupils in need of additional reading support. -Experienced teacher to provide timetabled 1:1 support. -Detailed entry, progress and exit data recorded to accurately measure progress in terms of reading age.	KY	Termly Pupil Progress Meetings
To narrow the gap in writing and maths between PP eligible pupils and their non-disadvantaged peers in KS1.	To provide highly targeted short-term programmes of Writing and Maths intervention for selected Pupil Premium eligible children.	Current KS1 data reveals that attainment in Writing and Maths is lower for PP eligible children compared to their non-disadvantaged peers. (Writing 33.3% Expected+ compared to 70% Expected+ Maths 33.3% Expected+ compared to 70% Expected+) Targeted programmes of intervention which are planned in conjunction with the class teacher and compliment the child's classroom learning will promote attainment for targeted pupils.	-Pupil Premium meetings to identify pupils in need of additional Writing and Maths support. -HLTA to deliver bespoke intervention programmes designed to complement classroom learning. -Entry, progress and exit data recorded to accurately measure progress	Year 2 Class Teacher HLTA	At the end of each intervention Termly Pupil Progress Meetings
To narrow the gap in core curriculum areas between PP eligible pupils and their non-disadvantaged peers in each Year Group.	To provide highly targeted short-term programmes of Reading, Writing and Maths intervention for selected Pupil Premium eligible children.	Current KS1 and KS2 data reveals that the attainment in core curriculum areas is lower for PP eligible children compared to their non-disadvantaged peers. Targeted programmes of intervention which are planned in conjunction with the class teacher and compliment the child's classroom learning will promote attainment for targeted pupils.	-Pupil Premium meetings to identify pupils in need of additional Writing and Maths support. -TA to deliver bespoke intervention programmes designed to complement classroom learning. -Entry, progress and exit data recorded to accurately measure progress	Deputy Head Teacher Class Teachers TAs	At the end of each intervention Termly Pupil Progress Meetings
To ensure PP eligible pupils are provided with the emotional and social support required to succeed in the classroom.	To provide programmes of play therapy designed to promote well-being, resilience and emotional intelligence. To train additional members of staff to deliver programmes of play therapy.	When investigating PP barriers to learning it was revealed that, "Some pupils who are eligible for Pupil Premium do not yet possess learning attributes such as self-confidence, perseverance and resilience." and "Some pupils eligible for Pupils Premium live in an environment not conducive to school readiness." Play therapy will help to address these issues and help promote school readiness.	-Meetings between Parents, Class Teachers and FLO to identify pupils who would benefit from play therapy. -Entry, progress and exit data collected to show progress. -Case studies including pupil perception interviews to show progress.	Head Teacher HLTA WD	At the end of each intervention Termly Pupil Progress Meetings

<p>To ensure PP eligible pupils and their families are provided with the emotional and social support required to succeed at school.</p>	<p>To support vulnerable families and ensure the attendance and school readiness of Pupil Premium eligible children. To deliver workshops to Year 2 and Year 3 classes to promote emotional and social wellbeing. To provide a nurture group for Year 6 Children.</p>	<p>When investigating PP barriers to learning it was revealed that, "Some pupils who are eligible for Pupil Premium do not yet possess learning attributes such as self-confidence, perseverance and resilience." and "Some pupils eligible for Pupils Premium live in an environment not conducive to school readiness." The FLO will work to ensure that PP eligible children's families feel supported so that their children arrive at school ready to learn. They will organise planned impact meetings to meet the individual needs of learners and their families.</p>	<p>Case studies including pupil perception interviews to show progress.</p>	<p>FLO</p>	<p>End of Year</p>
<p>To ensure PP eligible pupils with SEN make accelerated progress across the academic year.</p>	<p>To provide 1:1 therapeutic, mentoring, coaching sessions for PP eligible pupils. To liaise with FLO and Headteacher to support vulnerable families. To facilitate planned impact meetings designed to meet the individual needs of learners and their families to improve outcomes in school.</p>	<p>When investigating PP barriers to learning it was revealed that: "The proportion of pupils who are eligible for Pupil Premium with SEN is higher than amongst non-disadvantaged pupils within the school." and "Some pupils eligible for Pupils Premium live in an environment not conducive to school readiness." The SENco will act as an important role for coordinating strategies designed to address these barriers for learning.</p>	<p>-Pupil Progress Meetings with FLO and Class Teachers. -Termly review by SENco. -SENco Performance Management</p>	<p>SENco</p>	<p>Termly Pupil Progress Meetings</p>
<p>To improve the oral fluency of PP eligible pupils across the school.</p>	<p>To provide 1:1 or small group speech and language intervention to targeted PP eligible children. To provide a 24-week programme of speech and language intervention for KS1 pupils.</p>	<p>When investigating PP barriers to learning it was revealed that, "Many pupils who are eligible for Pupil Premium have lower language proficiency than their non-disadvantaged peers." The Education Endowment Foundation identified 'Oral Language Interventions' as an area with the potential for achieving significant progress for a minimal cost. The EFF concluded that "on average, pupils who participate in oral language interventions make approximately five months' additional progress over the course of a year." Furthermore, it was added that, "some studies show slightly larger effects for younger children and pupils from disadvantaged backgrounds." We will start oral language interventions in EYFS and target pupils throughout the school.</p>	<p>-Meetings between class teachers, TAs, FLO and SENco to identify targeted pupils. -Entry, progress and exit data collected. -Review of speech and language programme to ensure effectiveness.</p>	<p>Deputy Head Teacher CB</p>	<p>At the end of each intervention Termly Pupil Progress Meetings Annual Review</p>

To increase the engagement of PP eligible children with their learning.	To provide enhanced feedback and metacognitive opportunities for PP eligible children.	The Education Endowment Foundation identified Metacognition and Self-Regulation as areas with the potential to have significant positive effects on pupil attainment. The EEF concluded that on average pupils engaging in such strategies demonstrated 8 months accelerated progress. We will provide targeted PP eligible children with time and support to reflect upon and make improvements to their classroom learning. Pupils will set personal and academic targets and have review sessions with their parents, teachers and members of the SLT.	-Pupil-Parent-Teacher conferences to take place instead of traditional parents' consultations. -Review of the programme at the end of Term 1. -Collection of case studies to demonstrate impact.	Head Teacher Deputy Head Teacher	End of Term 1
To ensure that able PP eligible pupils are provided with sufficient levels of challenge.	To provide extension and enrichment opportunities for gifted PP eligible pupils.	Analysis of school data reveals that the proportion of pupils achieving GDS is significantly lower than their non-disadvantaged peers. Targeted extension and enrichment activities will help ensure that talented PP eligible pupils reach GDS.	-Pupil Premium Progress meetings to identify talented PP eligible pupils. -bespoke provision put in place to meet the needs of targeted pupils. -collection of evidence and case studies to demonstrate impact.	Deputy Head Teacher Class Teachers	Termly
<b>Total budgeted cost</b>					£50,180.50
<b>iii. Other approaches</b>					
<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>What is the evidence and rationale for this choice?</b>	<b>How will you ensure it is implemented well?</b>	<b>Staff lead</b>	<b>When will you review implementation?</b>
To ensure that PP eligible children are provided with a rich bank of life experience.	To fund places on school trips and provide curriculum enrichment opportunities for PP eligible children.	When investigating PP barriers to learning it was revealed that, "Some pupils eligible for Pupil Premium have limited life experience when compared to their non-disadvantaged peers." As part of their personalised curriculum, PP eligible children will be provided with additional opportunities and experiences designed to close the experience gap between themselves and their non-disadvantaged peers.	-Personal experiences will be designed with educational goals in mind. -Structured conversations with PP children to identify personal interests. -Personal experiences will be tailored to the needs and interests targeted pupils.	Head Teacher Deputy Head Teacher FLO	Termly
To increase the engagement of the parents of PP eligible children.	To invite the parents of PP eligible children to take part in parent-teacher- pupil conferences. To provide opportunities for the parents of PP eligible children to take a more active role in their child's education.	When investigating PP barriers to learning it was revealed that, "Some of the parents of pupils eligible for Pupil Premium struggle to engage with their child's education in a meaningful and positive way. As a result, pupils eligible for Pupils Premium often have less parental support than their non-disadvantaged peers." The Education Endowment Foundation identified 'Parental Engagement' as an area which had the potential to positively impact pupil attainment. The EEF concluded that on average, programmes designed to promote parental engagement resulted in 3 months	-Structured conversations with the parents of PP eligible children. -Trial and review of parent-teacher-parent conferences. -Review of programme of parental engagement activities.	Head Teacher Deputy Head Teacher FLO	Termly

		accelerated progress over an academic year.			
To provide the parents of PP eligible children with the skills needed to support their children with their home learning.	To lead workshops focussing on core curriculum areas as well as social and emotional issues designed to help parents support their children's home learning.	When investigating PP barriers to learning it was revealed that, "Some of the parents of pupils eligible for Pupils Premium struggle to engage with their child's education in a meaningful and positive way. As a result, pupils eligible for Pupils Premium often have less parental support than their non-disadvantaged peers." The Education Endowment Foundation identified 'Parental Engagement' as an area which had the potential to positively impact pupil attainment. The EEF concluded that on average, programmes to promote parental engagement resulted in 3 months accelerated progress over an academic year. We will implement a range of strategies designed to promote parental engagement.	-FLO to invite all parents to workshops but target Pupil premium families. -Workshops to be delivered by trained Family Liaison Officer.	FLO KY	Termly
<b>Total budgeted cost</b>					£7,700
