

Acorn News...

Friday 18th September 2020

The children have really enjoyed their first week and a half at school and it has been really lovely to get to know them. We have seen lots of friendships being formed over the past few weeks and once the whole class comes together next week we are sure there will be many more.

Most of this week we have been playing with the different toys and resources in the classroom and learning some of the new routines like, lining up, tidying up, listening for the whistle and stopping.

Both groups also enjoyed a short PE lesson with Mr Luckhurst, our PE teacher. The children will have him weekly once they start full time (we will send out more information with regards to PE kits nearer the time).

Home Learning Books

The children are provided with a home learning book. This is to write/draw/stick any thing they have done at home, we will then share this in class. It is also used a method as communication between home and school.

If you have written a note or your child has something to share in their book, please leave the book folded open on the page that has been used so it is easy for us to identify those books we need to look at.

Next Week....

The whole class are in school until 12.30. The children can arrive between 8.30 and 8.50. They will be having lunch, the option of a hot school dinner or a packed lunch brought in from home.

Spare clothes and Wellies

Please ensure your child has a spare set of clothes and shoes in school.

Please also provide your child with a pair of wellies to be kept in school. We go outside in **ALL** weathers.

Tapestry

You should have now received an email to create a password for your child's account so you can access their learning journal from home.

If you have not received an email or set up your password please let us know so we can sort this out.

If you would like a separate log in for another parents or family member please let us know.

Home Learning

Please talk to your child about their first week at school, what have they enjoyed? What have they disliked? Who have they made friends with?

Please feel free to record any responses on Tapestry or in your child's home learning book.
