

Acorn News...

Friday 2nd October 2020

This week, we have started doing short adult led sessions. In phonics, we have been playing listening games, singing nursery rhymes and playing bingo.

In Maths, we have been looking at finding objects that are the same and different. We have found two pairs of objects that are the same, found the same object as a group and talked about how they are the same. We also read the story 'Monkey Puzzle' and had to matching animal babies to their parents and talked about who's parent looked the same as them, we

found out that a butterfly's parent looks different to a butterfly baby (caterpillar).

Dates for your diary....

Flu immunisation—Thursday 8th October

School photos—Wednesday 14th October

We had our first whole class PE lesson with Mr Luckhurst where we played some games and got to know some of the rules we need to follow in PE to keep us safe.

Home Learning Books

The children are provided with a home learning book. This is to write/draw/stick any thing they have done at home, we will then share this in class. It is also used a method as communication between home and school.

If you have written a note or your child has something to share in their book, please leave the book folded open on the page that has been used so it is easy for us to identify those books we need to look at.

We have really enjoyed dancing to different songs this week, one of our particular favourites is called "Superheroes Unite".

PE

The children have PE on a Thursday afternoon with Mr Luckhurst. Please could you child come into school wearing their PE kit every Thursday. Ensure all ear rings are removed (if they are not, they will be taped) and that long hair is tied up.

Spare clothes and Wellies

Please ensure your child has a spare set of clothes and shoes in school.

Please also provide your child with a pair of wellies (and ideally waterproof trousers) to be kept in school. We go outside in **ALL** weathers.

Tapestry

You should have now received an email to create a password for your child's account so you can access their learning journal from home.

If you have not received an email or set up your password please let us know so we can sort this out.

Home Learning

Please go on an Autumn walk this weekend. Have a look for acorns, conkers, pine cones, different coloured leaves and collect some to bring into school for our classroom. We would love to see some photos of your walk on Tapestry!
