

Christmas Holidays Home Learning

Make gingerbread men! There are lots of simple recipes online that explain how to make them.

Leave a mince pie, carrot and drink out for Santa and his reindeers. They will be very hungry and thirsty after delivering all those presents!

Go on a Christmas lights walk or drive, how many houses can you find that are decorated?

Go on a winter walk to the park, how have things changed since the Summer?

The Wise Men followed the brightest star to find Jesus. Can you find the brightest star? Is there anything else you can see in the night sky?

Draw a picture of a Christmas scene.

Write a Christmas card to your friend! Remember to use your sounds and the tricky words 'to' and 'love'.

Write a list of things Santa might take in his sleigh when he is delivering presents to make his journey more comfortable.

Think about how you could help others around you, many people are alone at Christmas or may not be able to afford lots of presents and food for their family. Can you think of any ways you could help?

Miss Traviss has thought of some ideas if you can't:

- Donate some food to the local food bank
- Donate some toys to the charity shop
- Send a Christmas card to an elderly neighbour

Draw a picture of a snowman using 2D shapes - circle, square, rectangle and triangle.
