Name: _____ Date: _____

I am used to put letters into.	I am round and make journeys in carriages much more comfortable.
1852	1845
I am able to record events and people visually. You need a camera to make me.	I am a kind of bicycle with a front wheel much larger than the back wheel.
1839	1872
I have keys and I use paper. I produce letters.	I have two wheels and pedals.
1873	1840
I light up houses.	I am able to wash human waste to the sewers.
1879	1852
I am used to pay for sending letters.	I am used to talk to people in different houses.
1840	1876
I make smooth roads instead of the bumpy cobbles I replace.	I am a carriage that doesn't need horses to pull me along.
1845	1885
I am now known as 'films' or 'movies'.	I am able to create and adjust clothes, curtains and other fabrics much more quickly.
1894	1846
I am a series of trains and tracks but I am not on land.	I am used to listen to music.
1863	1887
