

The background features a light gray surface with expressive, overlapping brushstrokes in vibrant yellow and purple. On the right side, there is a faint, sketchy outline of a human face, possibly a self-portrait, rendered in a light gray tone. The overall composition is abstract and artistic.

These are self portraits by
some famous artists.

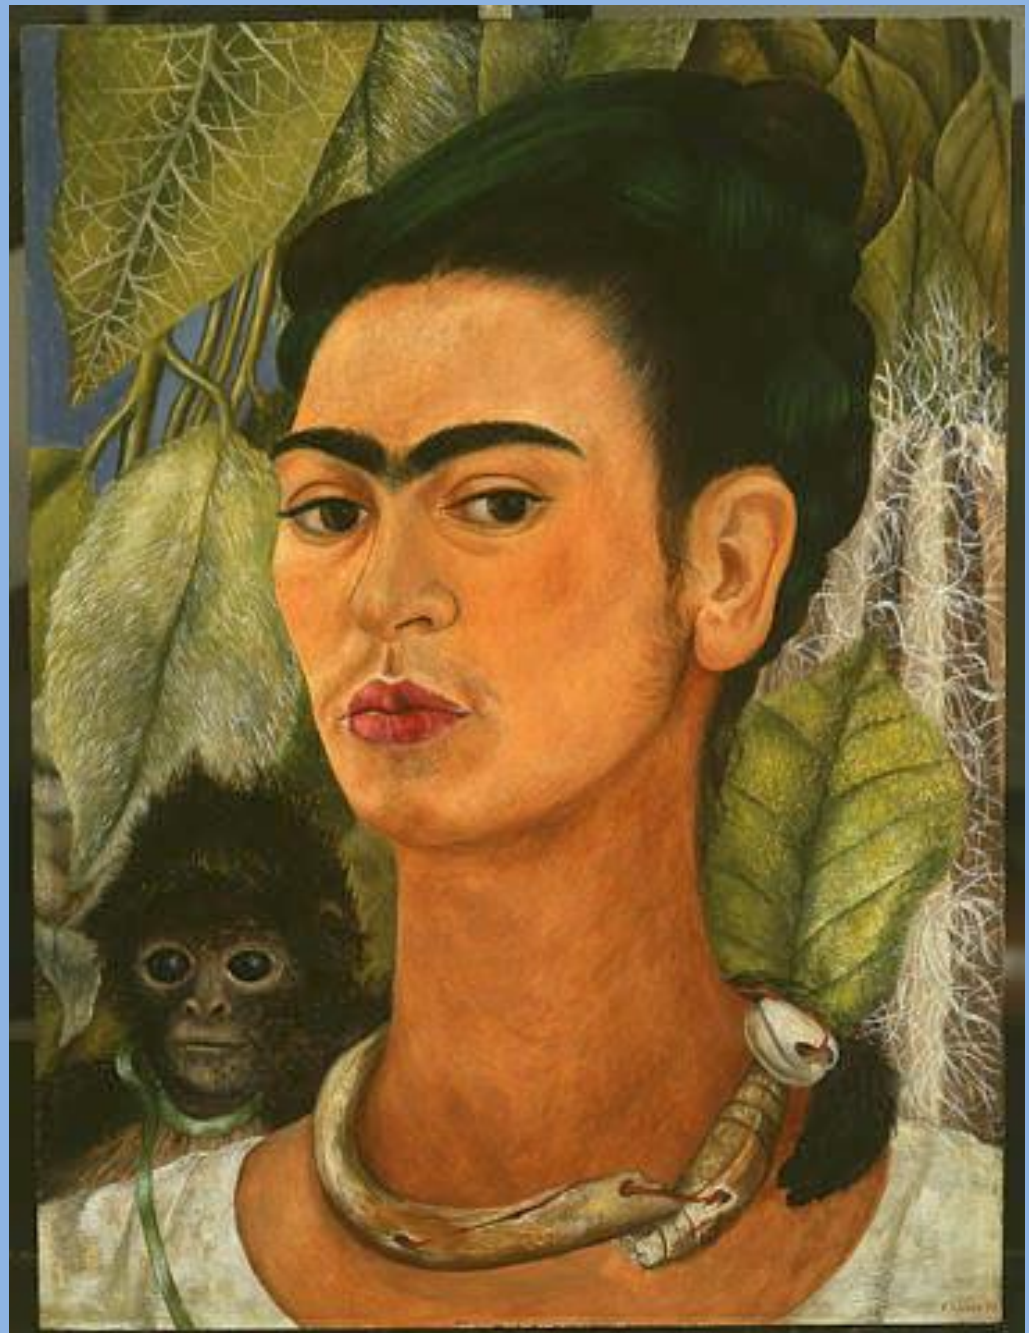

Leonardo da Vinci

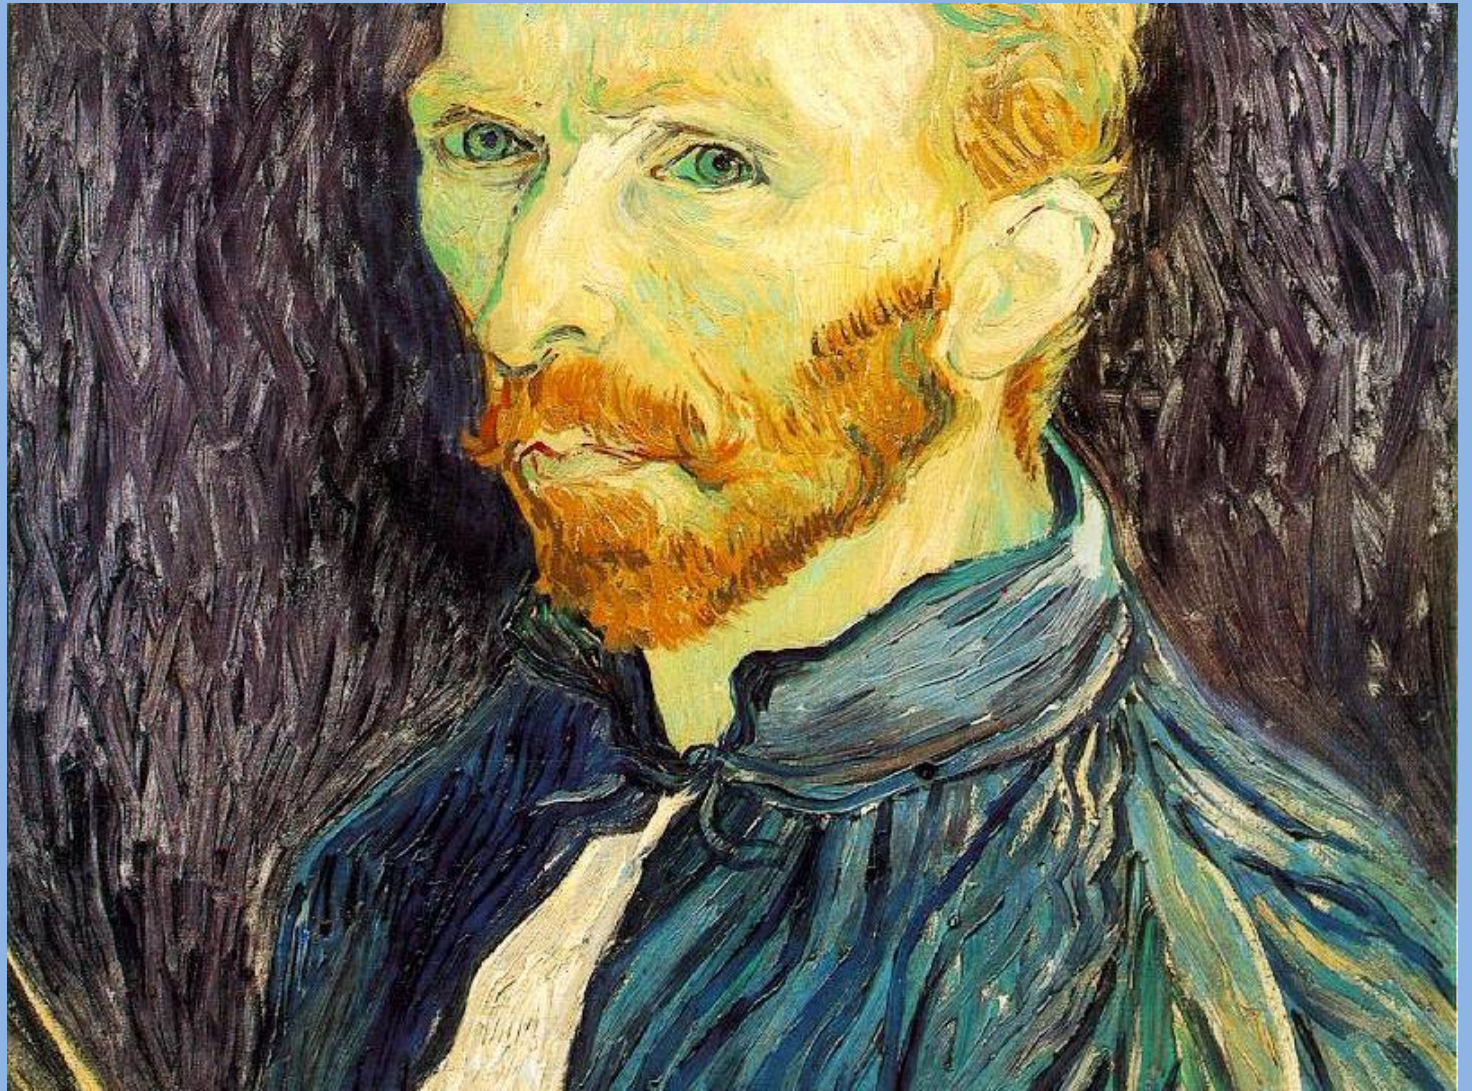

Leonardo da Vinci

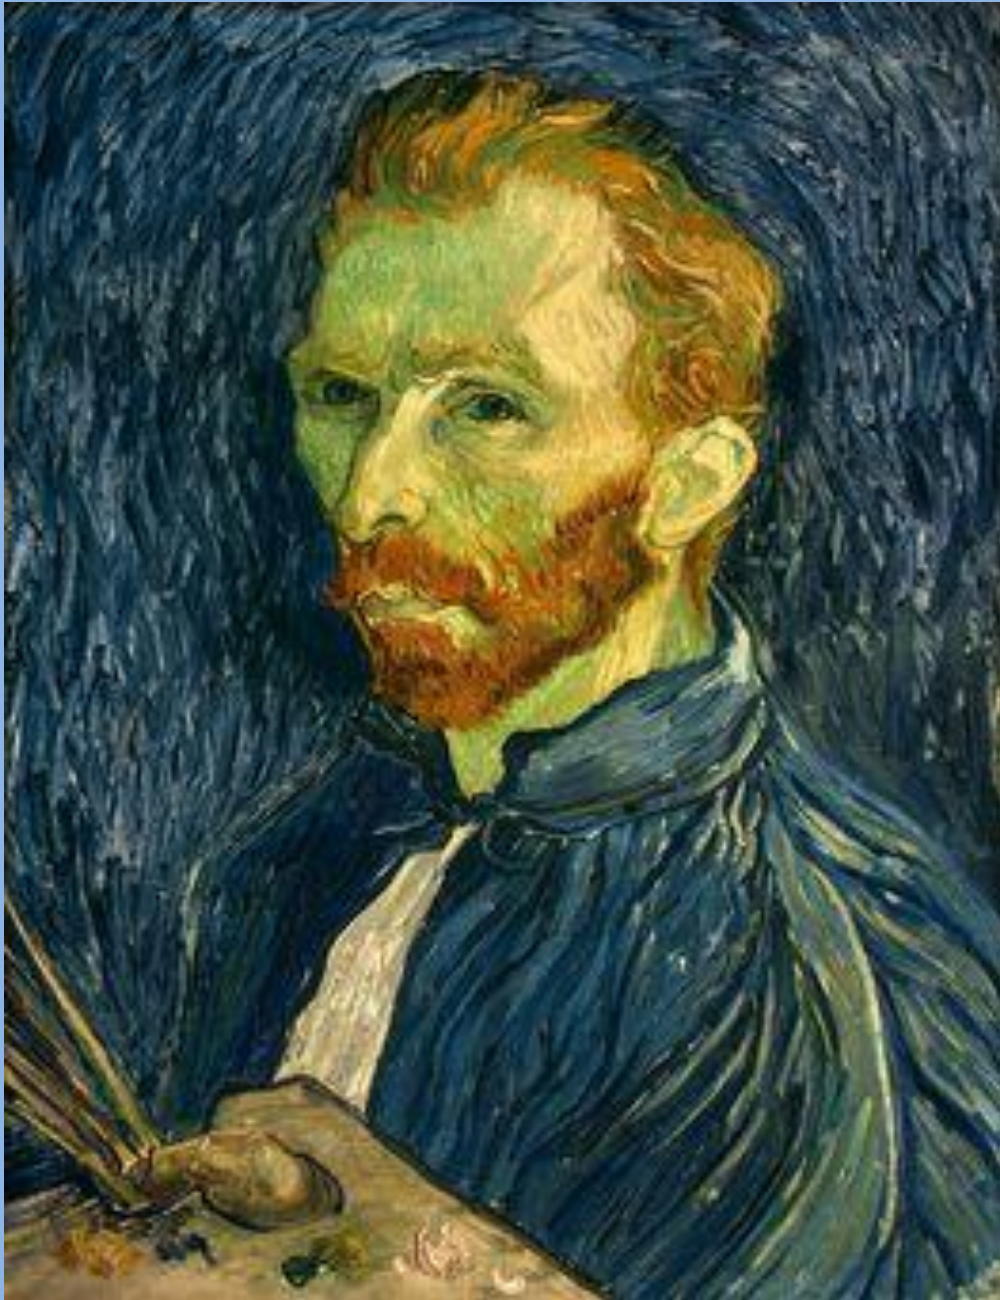

Look at the
background. It
makes this
portrait of
Frida Kahlo

very
interesting to
look at!

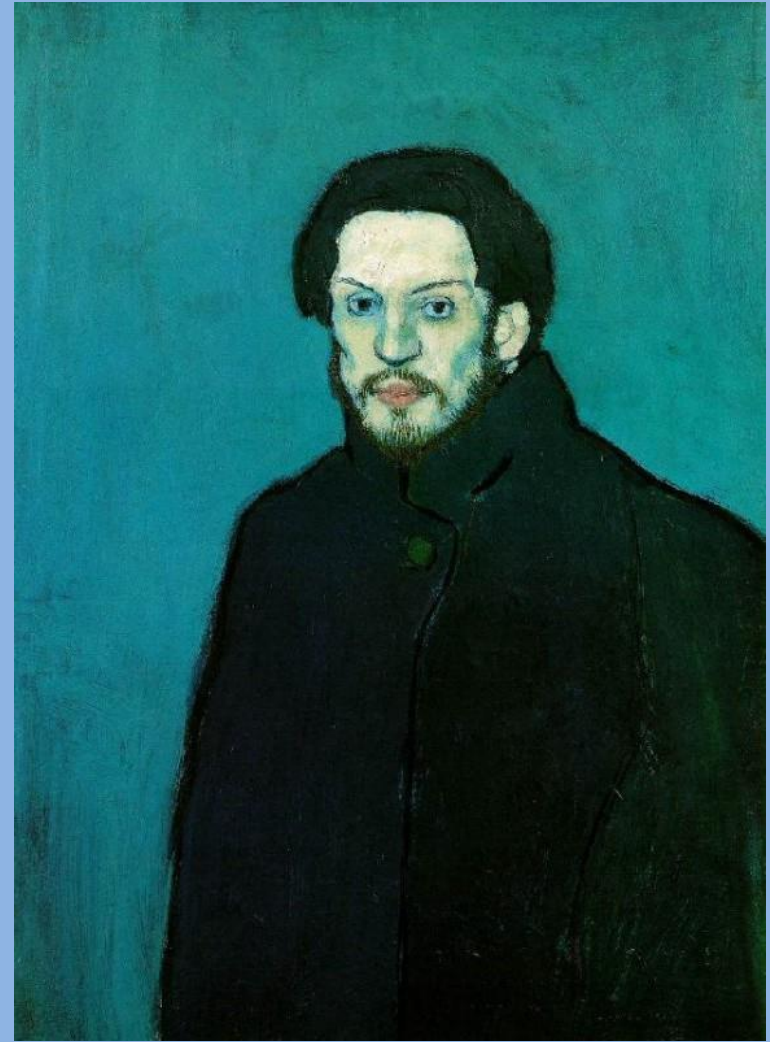

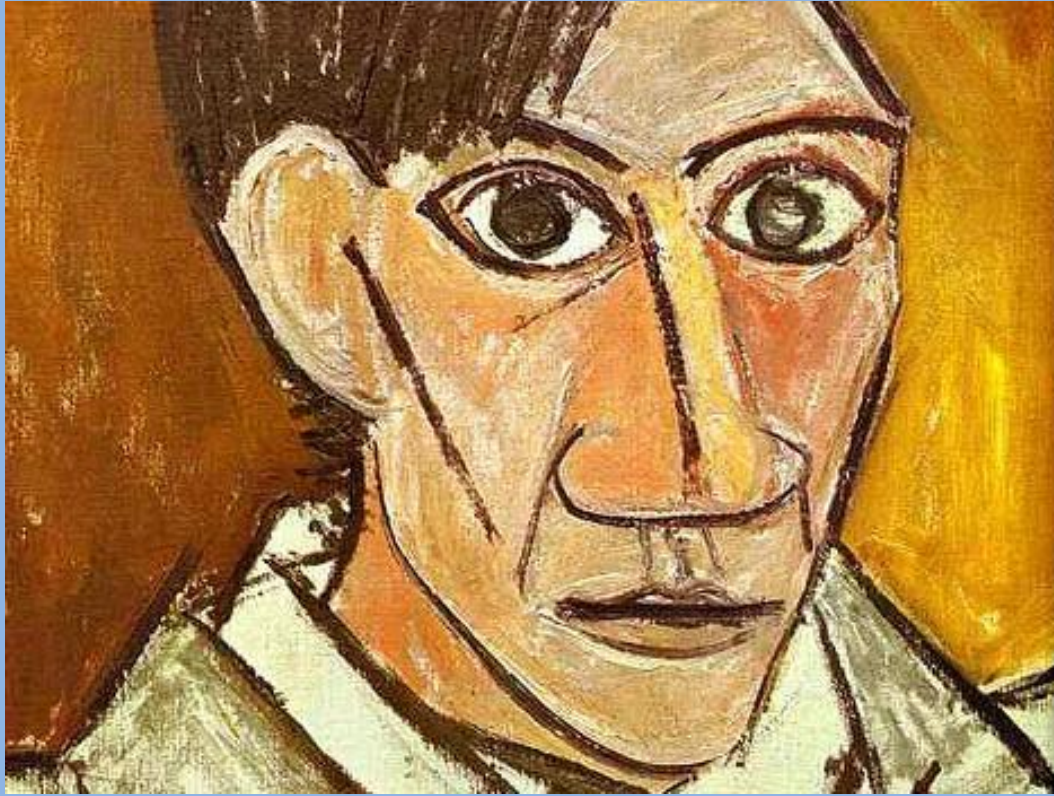

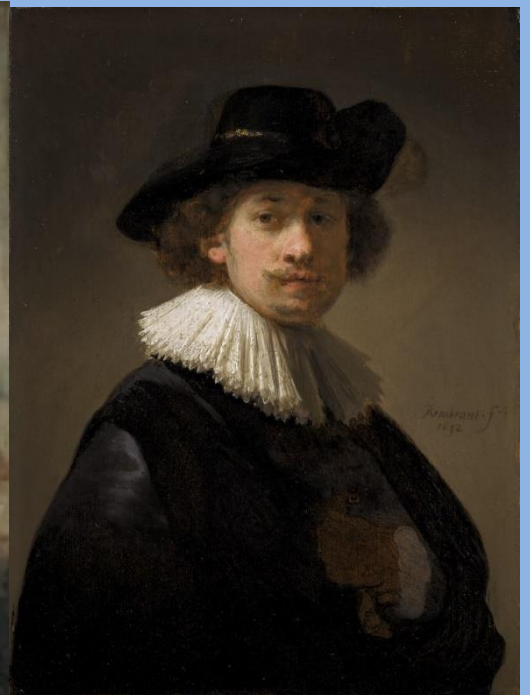

Vincent van Gogh

Vincent van
Gogh used
bright
colours and
swirling
brush
strokes.

Pablo Picasso

Rembrandt is a very famous artist.
He painted many portraits of
himself.

Chinwe Chukwuogo-Roy MBE - Self Portrait
