

Write the matching digit for each representation.
Cut out and order them from the smallest number to the greatest.

		<table border="1"> <thead> <tr> <th>Tens</th> <th>Ones</th> </tr> </thead> <tbody> <tr> <td>  </td> <td>  </td> </tr> </tbody> </table>	Tens	Ones		
Tens	Ones					
						
<p>5 tens and 1 ones</p>	<table border="1"> <thead> <tr> <th>Tens</th> <th>Ones</th> </tr> </thead> <tbody> <tr> <td>8</td> <td>5</td> </tr> </tbody> </table>	Tens	Ones	8	5	
Tens	Ones					
8	5					

Now, muddle them up and order them from greatest to smallest.
