Friday 2nd July 2021

Parent Questionnaire

Thank you to all the parents who have filled in our EYFS questionnaire. It is really helpful for us to know what has and hasn't worked this year so we can look to change things for future Acorn parents and children. If you need another copy of the questionnaire please let us know.

Dates...

- Wednesday 21st July—End of Term 6

Home Learning

Please practise addition and subtraction with your child at home. Ask them to count out a selected number of items (between 0 and 10) (toys, food, fingers etc) and then ask them to add/takeaway a given number (between 0 and 10). How many are there now?

You may wish to encourage them to write out the number sentence too, e.g. for the image below, it would be written $2 + 3 = 5$

Reading Books

I know it is nearly the end of term but please continue to read at home with your child and record in their yellow reading record.

Weather

Hopefully the weather will brighten up again soon, please ensure your child wears sun cream and a hat on warm days. Please ensure they still have a coat in school as it seems rain is forecast too!

This week...

We have had a great week in Acorn class. In phonics, we have been learning the tricky words, said have and like. We have been thinking of sentences containing these words and having a go at reading them in a sentence. We have also been starting to look at ccvc and cvcc words, these are usually 4 letter words for example frog, stop, sink.

In maths, we have been looking at subtraction. We have revisited the story 'Kipper's Toybox' where Kipper loses one of his toys. We demonstrated what happening using a 10s frame. We have also been looking at first, then and now stories to developing our understanding of taking away.

In RE, we thought about our friends and why we liked them. We learnt that Jesus' friends were called disciples and he chose them for having different qualities.

Mrs Johnson picked some gooseberries from the school garden and asked us if we would like to try some. Lots of children in the class tried a gooseberry and they found they tasted a bit sour to start with but the more you ate the sweeter they got!

Well done to Francesco our star of the week for always showing great sportsmanship during PE!
