

Beech Home Learning (Due in Monday 4th October)

Last week we focused on using adverbial phrases, actors and actions to create sentences describing the events of specific parts of the book 'Quest'.

Here is one of the pages that we focussed on:

Activity: For your homework, we want you to write at least 3 sentences that describe the events of this page. We have included the help sheet that we created as a class to help you.

e.g. Nervously, the boy looked at the map.

EXTENSION: If you are looking for an extra challenge, think about how you can use the and/so/but/because conjunctions to add extra clauses to your simple sentences.

e.g. Nervously, the boy looked at the map so he knew where to go.
