Home Learning

- Please take a photograph of your child and their family.
- We would like to create a family book to have in the classroom to compare the similarities and differences amongst our families.
- If you do not have a printer at home, please email the photo to acorn@st-barnabas.kent.sch.uk

The children have continued to settle well this week with hardly any tears, which is excellent! We have continued to get to know each other and learn each other's names through playing games. We have also played some listening games to get us ready for our phonics lessons, we had to listen carefully to the instruments to see what one was being played, we sang 'Old McDonald had a Farm' and had to say the sounds the animals make and we played 'i-spy'. We also got changed for PE and did a few activities with Mr Luckhurst.

The children have done really well at lunch time and have got into the routines of the hall. They have been using their loud voices to tell the ladies in the kitchen what they would like. Most of the children have sat really nicely while they waited for all their friends to finish before we headed back to the classroom for home time. From next week, after lunch they will be able to play on the big playground with the rest of the school.
