

Wider Curriculum Home Learning: Terms 3 and 4

This is a set of extra home learning activities for Year 1 pupils to complete. They are totally optional and families can complete as many of these activities as they like. If you complete an activity, you can either send it in via the home learning book or send it to us via the class email address. A digital copy of this document is included on the Year 1 Blog on the school website.

If you have any questions or need help with anything, please contact us using the class email address (willow@st-barnabas.kent.sch.uk).

	Get Creative!	Let's Find Out!
Science and Computing	<p>Build a model or draw a picture of an animal We would like you to build a model or draw your favourite animal. Don't forget to label the different parts of its body. How many legs does it have (if it has legs)? What is its skin like? Furry? Scaly? Smooth? Rough? Which animal group does it belong to?</p> <p>When you are finished, please bring your picture or model in for us to see!</p>	<p>Find out about what different animals eat Use the following clip to investigate what animals who eat meat are called, what animals who eat plants are called and what animals who eat meat and plants are called: What do animals eat? - BBC Bitesize https://www.bbc.co.uk/bitesize/articles/z96vb9g Create a diagram or poster which explains what each group is called and which animals belong in each group. We would love to see what you come up with!</p>
Time and Place	<p>Tell us about your journey to school We would like you to draw pictures or take photographs of the things that you see on your way to school.</p> <p>You could make a map to show us where these things are on your journey.</p> <p>If you want to share your work, please send in your photographs and pictures for us to see!</p>	<p>How have toys changed? Find out about the ways in which toys have changed in the last 15 years. Ask older members of your family what toys they liked playing with when they were young. Are the toys they had similar or different to your toys? What was their favourite toy? What is your favourite toy?</p> <p>We would love you to share what you find out. You could bring in pictures or photographs to share with the rest of the class and explain what you learnt!</p>
Design and the Arts	<p>Design A New Outfit for a superhero Can you design a new outfit for a superhero? Draw and label a picture of the new outfit. What special features does the outfit have? Where and when would the superhero wear the outfit, for example in the jungle or to fly or swim in?</p> <p>When your picture is complete, please bring it in so we can look at it with the rest of the class!</p>	<p>Find Out About Romero Britto Use the following link to find out who Romero Britto is: Romero Britto 2 Minute Crash Course for kids, teens & teachers - YouTube https://www.youtube.com/watch?v=0WDfGnGuot0 His art uses vibrant colours and patterns. Draw your own Romero Britto-style picture using different colours and patterns. Remember to bring in your picture so we can look at it with the rest of the class!</p>

<p>Sport Exercise and Health</p>	<p>Plan Your Own Gymnastics Routine In PE we have been learning balance, ways of travelling and different jumps. Perform a sequence made up of at least 4 different ways of moving, balancing or jumping. Can you teach members of your family your routine? Now write down your routine (or draw a picture of each part of your sequence) and please bring it into class for us to look at!</p>	<p>Staying Healthy In class we have talked about some ways to stay healthy (drinking lots of water, washing your hands regularly, brushing your teeth, exercising and eating a balanced diet). Design a poster to tell people about staying healthy. We would love to see your poster so please bring it into class for us to look at!</p>
<p>Outdoor Learning</p>	<p>Make a bird feeder There are some ideas and examples of what to do on the CBeebies website: https://www.bbc.co.uk/cbeebies/makes/bird-feeder You could also make up your own design. Please bring in a photograph of your bird feeder for us to share with the class!</p>	<p>What animals live near your home? Investigate how many different animals (such as birds, minibeasts or mammals) you can spot in your garden or in the area around your home. Make a tally of which animals you see. What animal did you see the most of? You could take part in the RSPB's birdwatch from 24th to 26th January 2025. Find out more by using the link below. https://www.rspb.org.uk/whats-happening/big-garden-birdwatch We would love to hear about which animals and birds you spotted!</p>
