

Wider Curriculum Home Learning: Term 3 and 4

	Get Creative!	Let's Find Out!
Science and Computing	Make your own mini-garden or allotment Pick the plants that you want to grow. Plant the seeds. Take care and look after your plants. Please take lots of photos and keep us updated on how your plants are getting on!	Find out about the life cycle of a plant Use the following clip to investigate the life cycle of a plant: What is the life cycle of a plant? - BBC Bitesize Crease a diagram or piece of explanation writing which explains about the life cycle of a plant. We would love to see what you come up with!
Time and Place	Build a Castle Make a model of a castle or part of a castle. You might like to focus on a specific type of castle like a Motte and Bailey castle or a curtain wall castle. You might like to focus on a specific part of a castle like a drawbridge or portcullis. When you are finished, please take a photo and send it in or bring it into class so we can see for ourselves!	Castle Research Investigate how British castles changed and developed over time. You might like you use the following website from English Heritage as a starting point. Castles Through Time English Heritage (english-heritage.org.uk) The following website might also be useful: A timeline of the development of castles (primaryhomeworkhelp.co.uk) Pick two castles from different periods of British history. Draw a diagram of each castle and explain the ways that they are similar and different. When your diagrams are complete, please bring them in so we can examine them as a class!

Design and the Arts	Build a Musical Instrument Can you design and build your own musical instrument? What materials will you need? How will it create a sound? If you are looking for inspiration, check out this useful website: 12 Easy Homemade Musical Instruments for Children to Make (firstcry.com) Once you have created your instrument, can you use it to perform a piece of music.	Making Music Use the following link to investigate: What different types of instruments are there in an orchestra? Games – Classics for Kids Use Chrome Music Lab to make music for yourself Chrome Music Lab (chromeexperiments.com)
Sport Exercise and Health	Plan Your Own Quest Use Google Maps for find your house. https://www.google.co.uk/maps/ Now, with the help of an adult, use the map to plan a quest around your local surroundings. Think about: -the places you want to go on your quest -the order that you will visit these locations -the challenges you could complete at each location -the best route to get from one place to another -the reward you could receive for completing your quest We would love to hear all about your quests. It would be even better if you mapped out your route or took photos along the journey.	Plan and Cook a Healthy Meal With the help of your parents, plan and cook a healthy meal for the whole family. Here are 10 great recipes that you might light to choose from: Top 10 healthy meals for kids BBC Good Food If you are looking for an extra challenge, try working out how much the meal cost per person. We would love to see pictures or the recipe that you followed. So please bring them into class for us to look at!
