

My interests

Organising information in this way requires your child to practise lots of skills (deciding what to write, deciding how to say it, deciding where to put each piece of writing, selecting appropriate pictures to illustrate it). They may need you to help them with some of these decisions. Encourage your child to form their letters clearly and legibly.

What to do...

1. What hobbies or interests do you have?
2. It could be football, dancing, reading, video games, cycling, drawing, playing music etc.
3. Pick your favourite hobby.
4. You are going to make a poster telling other people about this hobby.
5. Write the name of your hobby at the top.
6. You should include information boxes on your poster saying:
 - When you do it
 - Why you like it
 - How long you've been doing it
 - What equipment or things you need to do it
7. Around the boxes, draw pictures of you doing your hobby.
8. Decorate the poster.
