We have had a lots of fun in Acorn class this week! It is really clear that the children are enjoying their time in school and they are all very keen to learn. We have noticed this week that they are really picking up the classroom routines.

In Phonics, we have been playing different listening games. We have had to identify initial sounds, found two words that rhyme and have been orally blending words that have been segmented e.g. c-a-t makes cat.

In Maths, we have been looking at matching. We found the matching sock to make a pair, we have had to find objects that are the same around the classroom and we have matched animals to their babies.

We visited the church this week and met Father John, the vicar. He showed us the different parts of the church and we had the chance to ask questions. We also were shown the seats we will sit in when we visit the church for Mass. We learnt that the church is a very important place and we always need to listen when we are there.

In PE we practised different ways of travelling across a bench, such as, crawling, sliding and jumping.
