Friday 16th June 2023

Any issues, concerns or things we need to know about, please speak to the Acorn team before or after school or email: acorn@st-barnabas.kent.sch.uk

Dates for your diary.....

20th July—End of Term 6

4th Sept—Start of school year 2023/24

Welcome Wednesdays—our classroom is open for you to visit and read with your child between 8.30am and 9am

This week's special helpers were:

Adhil, Zaviyar, Imani, Eddie, Darcey

Remember....

- PE days are Mondays and Wednesdays.
- We will change reading books on a Tuesday and a Friday if your child has read their book at least twice.

Please keep reading with your children at home. It really will make a difference!

If your child reads at least 3 times in a week they will be entered into a draw to win a prize at the end of term

Happy Friday again.

This week we have been busy with more phonics assessments, the children are doing so well. In maths we have been thinking about sharing into equal groups of 2 and more.

We have been looking at dental and oral health in our group activities; thinking about what dentists do, how to clean our teeth and we even got a new toothbrush and toothpaste each.

This week was sports day and we had such a great time! Well done to all the children who took part and tried their absolute best. I hope those of you who managed to come along enjoyed your morning too. I'm sure you can agree a lot of hard work has gone in to organising it so a huge thank you to Mr Luckhurst!

Star of the week this week is Imani for joining in sports day

Our learning this week...

We learnt how to clean our teeth

And we cleaned big teeth

Our sports day was amazing

Home Learning

Please read with your child at least twice a week. Regular reading really does make all the difference to the children's confidence.

Why not try out this fun pairing game.

Simply click the link and put in the code underneath the link. This is a review of all the level 3 sounds.

Maths Challenge.

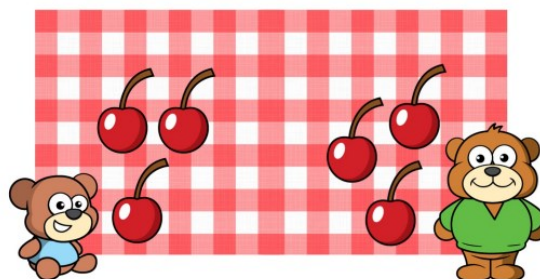

We have been learning about sharing equally. Have a go at playing teddy bears picnic. Try starting with 2 animals and see if you can increase the number of animals at your picnic.

You can use any household objects to represent snacks.

Have a Teddy Bear Picnic at home.

Share out the snacks equally so that each teddy gets the same.

Check to see if it is fair.

Now share out a different number of snacks.

Can you predict what might happen?
